AMENDMENT AND RESPONSE TO OFFICE ACTION

Sir:

In response to the Office Action mailed September 08, 1994, Applicant respectfully requests the Examiner to enter the following amendments and consider the following remarks.

IN THE CLAIMS:

Please insert the following changes:

1. (Twice Amended) A base station configuration in a two-way communication interactive video network having network hub switching center means for routing communications from and to a plurality of subscriber units comprising:

subscriber units dispersed at various locations within a predetermined base station geographic area,

local base station repeater cell means for communicating with identified individual subscriber units within a local base station geographic area associated
